Subj : Implementation of the 'One Nation One Subscription (ONOS)' scheme in our college library for access to academic and research journals.

As you are aware, the Ministry of Education, Government of India, has recently introduced the '**One Nation One Subscription (ONOS)**' scheme aiming to provide equitable access to high quality academic and research journals to all the government educational institutions across the country. This initiative primarily seeks to create a global research ecosystem by bringing ease of doing research to the door steps of all students, researchers and faculty members, and enhance the research output and academic excellence nationwide. This scheme offers to remove the financial and logistical barriers that hinder access to globally renowned resources.

In this regard we are pleased to inform you that our College Library has actively participated in this national initiative and registered in the ONOS scheme as one of the member institutions. Our College Library has been entrusted with its implementation within the college.

Thus, implementing the initiative, College Library has subscribed to the ONOS scheme from the month of March 2025 through INFLIBNET. At present, a total of 30 most reputed international publishers covering around 1300 scholarly journals have been included in the scheme to provide access to a vast repository of academic journals, databases and other resources.

To have campus-wide and comprehensive access to ONOS, one may visit the College Library or it may be accessed directly by typing <https://www.onos.gov.in/>

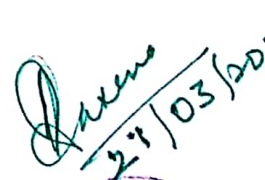

For successful implementation and maximum utilization of the above scheme in the college, it is requested, kindly:

- Circulate this information to all the research scholars, and students within your respective departments.
- Encourage the academic fraternity to the college to actively utilize these resources in academia and research. For assessment, the usage of ONOS by teachers, students and others staff of member institution **will be reviewed by Anusandhan National Research Foundation (ANRF).**
- Please provide your e-mail on whatsapp (9411657748) for ID & PW.

We look forward to your active participation in taking the academic and research standards of our college to new heights. Your support in implementing this landmark initiative in the college will surely be invaluable.

For further information, please contact Mr. Abdul Kadir, Associate Professor- Library / College Nodal officer (ONOS).
